

**Welcome to fast,
hassle-free commercial
asset disposal**

BPI specialises in fast, hassle-free commercial asset disposal

No two businesses are the same. Big or small, we tailor disposal solutions that adapt to your size and needs.

We help companies that are retiring, relocating, restructuring, renewing fleet, closing, or simply requiring a quick sale of surplus equipment; all whilst staying human and keeping it professional.

**Maximising the value of assets.
Effectively and efficiently.**

Why are we different?

We take out the hassle
of the complete disposal process. We project manage to cut out third party services and unnecessary costs.

We speed up the whole process
and complete sales with unrivalled turnaround times – meaning you can receive cleared funds in a matter of weeks!

We tailor a bespoke solution
to suit your specific requirements.
For example; selling from your own site or a BPI location.

We achieve maximum returns
by using our industry-leading online selling platform. Proactively targeting buyers to promote your sale.
